

That will soon become a permanent work. Under the direction of Brother Talley and Sister Gibbons it *must* succeed finally. If we ever succeed in getting a self-supporting church in Chicago it will do more towards spreading the gospel than any dozen churches in the country or small towns, hence we can afford to put some money in a work like this. Brethren let us spend much more time in prayer for the mission work and much less in criticising it and the Lord will do more towards correcting the wrongs in a week than we can in a year by criticism.

#### Notice

The Brethren composing the Darwin congregation, Carroll Co., Ind., will hold their Harvest Home Meeting Sunday, July 9, in the grove near the church. We have secured the assistance of Brother Talley of Chicago for the occasion. Everybody come. Bring your dinner and spend the day with us.

#### Notes From Zed H. Copp

Serious sickness in the family necessitates a brief letter.

Conference did a great work for the future of the Ohio churches.

We were made very glad by our dear father and mother's visit.

The communion was one of the most happy seasons of divine grace ever held here. Praise God from whom all the blessings flow. Many brethren from adjoining congregations were present.

Two excellent young people—man and wife—were added by baptism Saturday evening, June 17. They are excellent morally, socially, financially and spiritually, and will prove great help to Christ—fellow laborers—and the church.

Remember us in prayer.

#### Pittsburg Echoes

Again we take up our pen to write a few words to the ever welcome EVANGELIST.

*The Convention.* It is now an event of the past. We enjoyed very much the few pleasant days the brethren were with us. The good that was accomplished, eternity only can reveal the full amount. We were very glad to have with us during conference, our mission workers, Brethren Copp and Lyon. May the Lord bless them in their work.

*Children's Day.* Next Sunday is our children's day. Let us not forget the children. They will be the men and women in the "world's tomorrow." May they be men and women of consecrated and elevated thoughts and aims.

*Communion.* Our quarterly communion will be held on the evening of June 29. The Lord expects every one of his children to be present that possibly can. May we all remember his dying wish.

*Cottage Prayer Meetings.* In addition to our regular prayer meeting which is held on Wednesday evening, we have what is called the Young People's Prayer Meeting, which is

held on Tuesday evening. We go into homes outside of our membership and sing and pray. We go into the homes of the sick, of the poor, of the aged, those unable to get to church, into homes of sin, where rum reigns, where men and women are careless about their leprous souls. They do not attend church so we take the church to them. We feel the Lord is richly blessing us in this grand work. We are sowing the seed for the great harvest beyond.

*Church Services.* Our church services are well attended. Not so large in the morning as evening. We have been preaching a series of sermons on the Lord's Prayer in the mornings, in the evenings as a general rule the year thru we preach revival sermons, thus endeavoring to keep the "iron hot" thru out the year.

*Accessions.* Since our last Echoes to the EVANGELIST we have had seven accessions by baptism, all young men but one. There are others thinking seriously. May the Lord bring them in. May he continue to bless us with many precious sheaves for his garner in the skies.

#### Gleanings from the Wayside

While waiting for the train to carry us home we pen a few gleanings, but our thoughts are constrained by the idea of another train not the continental limited between Chicago and New York but the train of time taking the wings of the morning destined for eternity. Fellow traveler, are you waiting for *that* train?

Saturday evening and Sunday was our union meeting held in the College Corner church and a grand good meeting in all of its phases. Brother Peter Fisher is at home as president of the union. Brother L. S. Bauman of Roann and Brother Hopkins of Twelve Mile were with us. Brother Bauman preached in the morning, Brother Hopkins in the afternoon and I tried to preach at night, large crowds attending the services. It was inspiring to have the brethren and sisters come and help us in our work. They were present from Mexico, Roann, Loree, Poplar Grove, Wabash and Converse. Thru the earnest solicitation of Brother Hopkins quite a number of our members went over to Loree to communion service on Monday night; had a good meeting. The Lord was with us. Wishing the choicest blessing to rest on the work all along the line.

#### Lanark, Ill.

Our semi annual communion is among the things of the past. About one hundred members were seated at the Lord's table. All were from our own congregation except one. That one was from Milledgeville, in the person of my own mother. We hopefully looked for Brother Teeter, but rain and mud and storm hindered him. We had a pleasant and profitable love feast. Last evening, June 11,

the Sunday school and church gave a "Children's Day" program. The participants all did well, and were greeted with a packed house. We are doing our best to hold up the Gospel and to keep the membership alive in the Christian warfare.

Please allow me to supplement my itemized report of moneys received, as reported at conference as follows:

The amount reported by Mollie R. Gans was the result of reading Brother Bowman's sermon last winter. She says, "After reading it I scattered out some barrels that he left me sometime before and I have \$6.50 to send you" to be credited as follows: Mrs. Lou Deffenbaugh, Fairchance, Pa., 89 cts.; Nellie Davis, Ruble, Pa., \$1.00; Mrs. J. D. Gans, Chadville, Pa., \$1.00; Mrs. Sallie Griffith, Chadville, Pa., \$1.00; Carrie Blackford, Chadville, \$1.25; Mollie R. Gans, \$1.36. Total \$6.50. She further says, "Two little girls aged nine and eleven years got \$1.00 and \$1.25 each and the latter is one whose parents are not members of any church. The others are members of our church."

This is certainly a commendable record and shows what can or could be done, if we *would*. Sister Gans further says, "I am not in favor of blowing a trumpet but I would like to see the little girls' names in the paper." I cheerfully help in the act to stimulate others to do a good act. If we had one like Sister Gans in each congregation to move we would not lack in home mission money. The whole will be considered a contribution from the Grove congregation, which with \$5.00 from Tillie Antram makes \$11.50 from that congregation as a result of personal effort and responsibility of two sisters. May the Lord multiply their kind and abundantly bless them.

#### Pioneer, Ohio

The Bethesda class is getting along nicely. Held our communion service on last Sunday evening which was greatly enjoyed. Rev. S. B. Grisso took charge of this class as pastor June 1st. He has already endeared himself to his people. Our Sunday school is good. Expect to hold children's day services on Sunday evening.
